

Magnify Ministries IMPACT! 2024

In partnership with the towns of Boonville, East Bend, Hamptonville, Jonesville and Yadkinville, Magnify Ministries, Inc., a combination of local churches from different denominations, has the desire to improve local homes in their community. As a result of this project, Magnify Ministries is looking for **owner-occupied homes** in Yadkin County that are in need of some minor repairs and refurbishment, in the form of roofing, painting, building wheelchair ramps, landscaping, installing drywall and other minor construction work. There will be minimal to no expense to the home owner, and the labor will be provided by the Magnify Ministries and IMPACT volunteers, which are primarily youth with adult leadership. This project will be associated with the Yadkin County Department of Social Services, Aging Planning and YVEDDI's Weatherization and Housing Programs. Funding for these projects will come primarily through the donations and generosity of local churches, but if homeowners can afford to pay in full or in part it will be greatly appreciated. To be considered for this program, please fill out the attached application. Each application will be considered on an individual basis. The application must be completed in full and returned to Magnify Ministries at 1336 Lone Hickory Road, Yadkinville, **no later than January 15, 2024**. You may also call 336-469-2758 if you have any questions.
